Eastbound SR-91 Nighttime Connector and Lane Closures Week of July 19-23 & July 26-30, 2010

WHAT: As part of the Riverside Freeway (SR-91) Eastbound Lane Addition Project, nighttime work will take place July 19-23 and July 26-30, 2010 for crews to form and fill walls near the SR-91/SR-71 connector.

SR-91 will remain open to drivers; however, lanes, ramps, and/or connectors will be closed during off-peak/nighttime hours to complete work. Nighttime work on this particular stretch of SR-91, between SR-241 and SR-71, will be ongoing through the end of 2010.
